Full-service pro shop

An expert head pro and his staff await you at our state-of-the-art practice facility.

A recent Carolina Trace resident explained, "My husband is an excellent golfer and he immediately found his 'home' on both golf courses. But I had never had the time to play until we moved to the Trace. I was amazed that the head pro, his wonderful staff, and the golfing community would welcome me as a new golfer. Thanks to my excellent instructors, a great practice facility, and supportive club members, I now love the game!"
